Job Title:	Insight and Intelligence Officer
Service:	Healthwatch Sandwell
Hours:	18.5 hours per week (including evening and weekend work)
Salary:	£12,075 (£24,150.00 Full time equivalent)
Type:	Permanent
Location:	Community / Homebased working
Accountable to:	Chief Executive Officer (CEO)

Job Summary

To enable people in Sandwell to share their health and care experiences, working with and within all communities that may be described as marginalised or under-represented communities or groups so their voices are heard locally and nationally. Specifically, by planning, organising and co-ordinating the gathering of the insight and intelligence from our whole community, in a variety of innovative ways. Required to build and sustain collaborative relationships with key stakeholders to ensure feedback influences decision making and improves health and social care services.

Main Duties

- To plan and undertake community activities such as drop-ins, canvassing, community engagement, promote surveys, interviews, focus groups, workshops, events, and other ways of collecting the insight and intelligence from people based on their experiences of using health and social care services.
- Develop and maintain collaborative partnerships with community groups and organisations to enhance our profile, impact and effectiveness in securing involvement with and participation from all groups within the six towns to ensure that all views are equally represented establishing and maintaining a strong local presence.
- Document the citizens voice through report writing.
- To support the delivery of Health Inequalities projects.

- To develop how we promote, recruit and involve volunteers and the community and how we can empower and build capacity in the community through our activities
- To be known and act as the local representative for Healthwatch Sandwell in the north of the Borough covering Tipton, Wednesbury and West Bromwich, attending all local community meetings, giving presentations to introduce us and our work, gathering intelligence and insight into health and social care services.
- Organise and host a variety of local events and activities through a range of methods on behalf of the organisation to increase community involvement, collaboration and liaison establishing lasting networks.
- Support the collection of insight, intelligence and feedback from the public about their experiences of health and social care via the range of methods; such as over the telephone, face to face and through digital platforms.
- Support the inputting of that insight, intelligence and feedback into the Healthwatch database, undertaking data analysis and drafting reports to a high standard.
- Provide information about health and social care services through our signposting service.

Liaison with communities and groups

- Become the established link between Healthwatch and all local community, faith, and voluntary sector groups in the area to ensure meaningful interaction with diverse groups when gathering feedback.
- Ensure local people know how to access services which they are entitled to by providing information and signposting about services available in the Borough.
- Help create a reputation for being the central point for information on health and social care service provision in the Borough.
- Maintain an up-to-date online service directory of key local contacts and information, and establish strong links with the Local Authority teams, NHS providers, Advocacy, Citizens Advice Bureau and the Voluntary and Community Sector.
- Increase outreach activity with seldom heard groups, including ethnic communities, the elderly, faith groups, the LGBTQ community, migrant communities arriving in the area, those living in rural isolation, those living in poverty, those who are digitally excluded, children and young people, those living with mental illness, and families, to help shape local Healthwatch work priorities.
- Host regular information and drop-in sessions as local venues throughout the area providing information, signposting and guidance and actively seeking out feedback on all local health and social care services.
- Gather intelligence on service provision and commissioning through attending local meetings, forums, and events, including Patient Participation Groups, local faith and community groups and young people's groups.
- Actively review and seek out new groups for Healthwatch to liaise with, increasing the local network, and ensuring the creation of strong partnerships.
- Alongside outreach, you will carry out administrative tasks such as assuming overall responsibility for the ordering and monitoring of stock and other resources and by accurately maintaining client management systems and electronic databases required for the programme to function. You will also need to be competent in Microsoft Office 365 and be able to produce accurate records.

Community Outreach

- To develop and deliver a programme of diverse and tailored outreach events, ensuring that local Healthwatch is accessible to all sectors of the community. This includes the ability to organise, plan, co-ordinate and deliver a wide range of activities that attract high numbers of attendees across a variety of diverse groups and communities.
- To gather insight and intelligence by promoting the Healthwatch Have Your Say online feedback platform and increase the number of reviews and feedback received.
- To increase the local Healthwatch membership and volunteer numbers, through actively promoting Healthwatch to all organisations within the local area across multiple sectors, ensuring that the outreach work is tailored to reach all communities.
- Provide information, signposting and raise awareness of rights and responsibilities regarding services to people you engage with, keeping up to date with changes in legislation and policy.
- Remain aware of and promote the projects and priorities of the local Healthwatch to the public and key stakeholders.
- Provide outreach support for a broad range of engagement projects as part of a cohesive team approach to service delivery.
- Contribute to the development of the annual Healthwatch Work Programme for engagement and promotional activities.

Other Duties

- Promote equality and diversity in all aspects of work and challenge discrimination.
- Undertake mandatory training including Safeguarding and Equalities training, and a Disclosure and Barring Service check.
- Identify appropriate development that maintains professional competency.
- Work as a member of the team, take part in team meetings, team training and other staff events as required.
- To participate in the wider organisation's project teams and lead where required. Including undertaking any other short-term activities as requested by the senior management team and providing support and cover for colleagues where appropriate.
- After relevant training and shadowing, act as an Authorised Representative on Enter & View visits to local NHS and social care settings as part of a team.
- Be aware of current trends in social care and health policy and service provision that may have an impact across Sandwell and nationally.
- Undertake any reasonable tasks, responsibilities and activities as required.

Duties required of all ECS employees.
